§ 612.1 General provisions.

This part contains the rules that the National Science Foundation follows in processing requests for records under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Information routinely made available to the public as part of a regular Foundation activity (for example, program announcements and solicitations, summary of awarded proposals, statistical reports on U.S. science, news releases) may be provided to the public without reliance on this part. As a matter of policy, the Foundation also makes discretionary disclosures of records or information otherwise exempt under the FOIA whenever disclosure would not foreseeably harm an interest protected by a FOIA exemption. This policy, however, does not create any right enforceable in court. When individuals seek records about themselves under the Privacy Act of 1974, 5 U.S.C. 552a, NSF processes those requests under both NSF's Privacy regulations at part 613 of this chapter, and this part.

§ 612.2 Public reading room.

(a) The Foundation maintains a public reading room located in the NSF Library at 4201 Wilson Boulevard, Suite 225, Arlington, Virginia, open during regular working hours Monday through Friday. It contains the records that the FOIA requires to be made regularly available for public inspection and copying and has computers and printers available for public use in accessing records. Also available for public in-

spection and copying are current subject matter indexes of reading room records.

(b) Information about FOIA and Privacy at NSF and copies of frequently requested FOIA releases are available online at <www.nsf.gov/pubinfo/foia.html>. Most NSF policy documents, staff instructions, manuals, and other publications that affect a member of the public, are available in electronic form through the "Documents" option on the tool bar on NSF's Home Page on the World Wide Web at <www.nsf.gov>.

§ 612.3 Requirements for making requests.

(a) *Where to send a request.* You may make a FOIA request for records of the National Science Foundation by writing directly to the FOIA Officer, Office of the General Counsel, National Science Foundation, 4201 Wilson Boulevard, Suite 1265, Arlington, VA 22230. For records maintained by the NSF Office of the Inspector General (OIG), you may write directly to the Office of Inspector General, National Science Foundation, 4201 Wilson Boulevard, Suite 1135, Arlington, VA 22230. The FOIA Officer will also forward requests for OIG records to that Office. Requests may also be sent by facsimile to (703) 306-0149 or by e-mail to foia@nsf.gov.

(b) *Form of request.* A FOIA request need not be in any particular format, but it must be in writing, include the requester's name and mailing address, and be clearly identified both on the envelope and in the letter, or in a facsimile or electronic mail message as a Freedom of Information Act or "FOIA" request. It must describe the records sought with sufficient specificity to permit identification, and include agreement to pay applicable fees as described in § 612.10. NSF is not obligated to act upon a request until it meets these procedural requirements.

(c)(1) If you are making a request for records about yourself and the records are not contained in a Privacy Act system of records, your request will be processed only under the FOIA, since the Privacy Act does not apply. If the records about you are contained in a Privacy Act system of records, NSF will respond with information on how
